

Following the granting of planning permission for the new Landau Forte Academy 11-16 Centre. Construction works are due to commence on 24th May 2010.

The new academy buildings will be built on the existing school fields. Access onto the fields will be closed off from Monday 24th May 2010.

From Monday 24th May 2010 Willmott Dixon will enter the site using the access off Sheepcote Lane. This access will be used until the new academy access is formed from Woodlands Road.

Access to the school will be maintained via Highfield Avenue

During this week Willmott Dixon will secure the site of the new academy and segregate the construction site from the school.

Willmott Dixon will also set up their site offices and welfare facilities ready from construction works to commence on 1st June 2010.

Pedestrian access will be maintained from Highfield Avenue to the school.

The pedestrian access from Sheepcote Lane will only be open in the morning at the start of the school day and in the afternoon at the end of the school day.

The pedestrian access from Woodlands Road will be closed from Monday 24th May 2010.

No construction deliveries will be made during these school opening and close hours.

Willmott Dixon Construction Ltd want to ensure that they provide a safe and secure environment for both Woodhouse Business and Enterprise College and our own workforce.

Construction sites are very dangerous places please respect our works for your safety.

We also want make sure that we deal with any issues or problems immediately.

If you have any concerns please contact Joe Green or Harry Dhanjal on 01675 467 666
